**December 23, 2019 - Lebanon, PA-** APR Supply Co. is proud to share that we recently presented Homes for Our Troops, a nonprofit organization that builds and donates specially adapted custom homes for severely injured post - 9/11 Veterans, with a donation of \$10,000. In addition to the financial contribution, we were able to donate equipment and supplies to assist in building two homes for wounded veterans in 2019.

Our customer and vendor partners throughout the Mid-Atlantic Region were integral in the fundraising process. Allied Air Enterprises, a manufacturer of heating and cooling solutions, donated equipment for the HVAC systems, while members of the HVAC and Plumbing communities gave of their time, money and resources to make the donation possible.

Pictured with our team is Kevin McCloskey, who moved into his home in January 2019.

Sargent Glen Silva and his family celebrated with a ribbon cutting when they moved into their new home in October of 2019.
