REFINEMENT, INSIDE AND OUT.

We've always been just as focused on the durability and functionality of our faucets as we have on their lines and curves. Our unfettered dedication to quality has helped make us a household name.

Inside this catalog, you'll find faucets that fit any number of styles paired with multiple innovative technologies. Factor in our commitment to the highest quality, and you can see what we mean when we talk about true beauty.

TOUCH20[®] TECHNOLOGY

Touch it on. Touch it off. Start or stop the flow of water with a simple touch anywhere on the spout, hub or handle.

TOUCH20.xT[®] TECHNOLOGY

Three convenient ways to operate your bathroom faucet: manually, with a touch or hands-free.

DELTA[®] TECH20[™] CONCIERGE PROGRAM

An advanced service experience that answers every question you could have about our advanced touch technology—and ensures your satisfaction.

MAGNATITE[®] DOCKING

A powerful magnet keeps pull-down wands in place—and faucets looking picture perfect.

H2OKINETIC® SHOWERS

With water sculpted into a unique pattern, you get the feeling of more water while using less of it—creating a shower with indulgent warmth, coverage and intensity.

SHIELDSPRAY® TECHNOLOGY

A powerful spray within a protective sphere of water clears away mess with an average of 90% less splatter than a standard spray.

DIAMOND™ SEAL TECHNOLOGY

Smooth operation for the life of the faucet with no lubrication or wear on seals.

TEMP2O® TECHNOLOGY

A digital display shows the temperature of the water flowing from your shower head or tub spout so you know when it's right for you and safe for your family.

HYDRORAIN[®] TWO-IN-ONE SHOWER HEAD

NOW WITH H₂OKINETIC[®] TECHNOLOGY

Even more luxurious and relaxing with H₂Okinetic Technology, the HydroRain Two-in-One Shower Head allows use of the raincan only, the shower head only or both at the same time.

IN2ITION[®] TWO-IN-ONE SHOWER

Direct water where you need it most: use the integrated shower head and hand shower separately or together to maximize flexibility without sacrificing warmth.

UNIVERSAL DESIGN SOLUTIONS

Thoughtful, beautiful design on the outside; combined with smart, accessible technologies on the inside—helping people experience independence no matter their age or ability level.

WATERSENSE[®] AWARD WINNER

Delta Faucet Company is proud to be one of the EPA's 2011, 2013 and 2014 WaterSense[®] Partners of the Year and a Sustained Excellence Award Winner for 2015, 2016, 2017 and 2018.

PRODUCT FINISHES

Our versatile designs aren't just stylish—they're paired with a wide range of finishes to help them complement any kitchen or bathroom décor. Add warmth, texture, depth and color to your vision.
