**Features  
&  
Benefits**

- Insure Leak-Tite Seal
- Quick & Easy Install
- Energy Efficiency

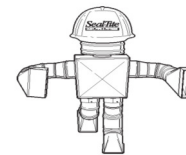

- Fully enclosed corners with 1" flanges.

- Collars mechanically pressed and seamed to body in order to provide maximum contact and leak protection.

- Added pre-punched screw holes.

Peel off adhesive coated gasket securely holds fitting in place during installation and to assure minimal leakage.

Seal-Tite® products are designed with the installer in mind. Products adjust smoothly, go together quickly and stay together.
