APR Supply Co. is one of the Top 50 Fastest Growing Companies in Central Pa

LEBANON, PA – APR Supply Co. is proud to announce that it has been named to the *Central Penn Business Journal's* 24th annual list of the Top 50 Fastest Growing Companies in Central Pennsylvania.

“Every day, our team strives to breathe life into our mission statement, creating enthusiastic customers. Each decision we make, and partnership we form, is a mindful effort to better serve our customers,” states Scott Weaver, President of APR Supply Co. “After over 95 years in the distribution industry, we continue to provide groundbreaking solutions to our customers, and being named in the Top 50 Fastest Growing Companies is a strong indicator that we are continuing to change and grow with the industry – meeting the needs of our customers. APR Supply Co. is honored to be among this distinguished group.”

To be eligible for consideration, companies were required to show revenue of at least \$500,000 in each of the fiscal years ending 2017, 2018 and 2019, as well as revenue growth in 2019, as compared to 2018. For-profit entities that are headquartered in Adams, Cumberland, Dauphin, Franklin, Lancaster, Lebanon, Perry or York County were eligible for nomination.

The presenting sponsor of the program, Baker Tilly, calculated the nominations and then ranked the companies according to revenue growth over the three-year period. Both dollar and percentage increases were taken into consideration. This ranking formula led to the list of 50 winners.

APR Supply Co. and the other 49 winners were honored at a virtual awards presentation today. APR was excited to learn their rank of 40th out of the 50 recognized companies.
