[Click here to watch the trailer for our centennial documentary that will be premiering April 30th.](#)

### **RectorSeal® Releases New Generation Slim Design And Ultra Quiet Aspen® Pumps Mini White Silent+ Condensate Pump**

*RectorSeal®, Houston, a manufacturer of quality HVAC/R and plumbing tools and accessories, and a wholly-owned subsidiary of CSW Industrials, Inc. introduces the Aspen® Pumps Mini White Silent+ condensate pump.*

The new generation condensate pump is designed to fit beneath high-wall indoor ductless units. The low-profile design offers flexible installation with easy access for routine maintenance. The unit's crisp white color and slim profile design complement all leading residential and commercial manufacturers' high wall ductless units.

## What Makes the Arzel CoolMizer so Cool?

The Arzel CoolMizer is a stand-alone ventilation control system that delivers the power of commercial economizers to the residential and light commercial markets. It has been designed specifically for residential, light commercial, and split system HVAC units, all while keeping you, the Arzel contractor, in mind.

A teal banner advertisement. On the left is a photo of a man in a yellow t-shirt, looking thoughtful with his hand on his chin. To the right, the text reads: "STRUGGLING TO COME UP WITH NEW ADVERTISEMENTS? Let us help. The quarterly Contractor Campaign Kit is full of resources that you can use to promote your business." At the bottom right, it says "CLICK HERE TO LEARN MORE."

## Southwire CEO Discusses Sustainable Wire and Cable Solutions

Southwire President and CEO Rich Stinson recently engaged in an interview with Manufacturing Outlook to discuss Southwire, its background and how the company has been successful in providing sustainable wire and cable solutions.

Special thank you to Southwire for being an Education Sponsor.

## 4 Keys to Using Feedback During Technician Training

One thing I've learned over time is, no matter how well you think you are doing, people around you may have a different perspective. Those people can include your family, your friends, your boss, your co-workers and even your customers.
