PRESS SYSTEM

SOLUTIONS

— QUALITY CONNECTIONS,
MULTIPLE MATERIALS
WITH VIEGA® PRESS TECHNOLOGY

PROPRESS®

Viega ProPress is the proven solution for nearly any industrial, commercial or residential project. With choices in sealing elements, system-matched tools, rings and jaws, press connections are made in seconds, making Viega ProPress suitable for many standard applications. ProPress copper fittings are available in sizes 1/2" to 4", and ProPress 316 stainless fittings and tubing are available in sizes 1/2" to 4".

HEATING + COOLING

Viega offers a full line of prefabricated Climate Mats for wet installs, panels for dry installs, tubing, manifolds, mixing options and controls all engineered to work together. Radiant heating and cooling solutions can reduce energy costs for both residential and commercial buildings.

MEGAPRESS®

Viega's MegaPress fitting system is available in carbon steel and 304 and 316 stainless steels, in sizes from 1/2" to 4". Viega's MegaPress carbon steel and stainless steel fittings are available with EPDM, FKM or HNBR sealing elements suitable for hundreds of applications including gas, hydronics, fire sprinkler, and compressed air.

MARINE SYSTEM®

Viega SeaPress and MegaPress CuNi 90:10 copper-nickel press fittings are specifically designed to stand up to harsh Marine environments. SeaPress metric fittings are available in 15 - 108 mm sizes. MegaPress CuNi IPS fittings are available in 1/2" to 4" sizes and are now NAVSEA approved.

PUREFLOW®

PureFlow is the only system in the industry that offers press-to-press transition fittings – allowing you to easily transition from PureFlow PEX to ProPress in traditional branch and tee installations. Looking to reduce the number of fittings behind the wall? PureFlow lets you install remote manifolds giving each fixture in a building its own PEX tubing line.

VIEGA® PRESS TECHNOLOGY

No other manufacturer can offer the same press technology across multiple piping systems.

Viega systems are approved for over 2,500 standard and non-standard applications. Visit viega.us/systems for more information.

2,500+ APPLICATIONS

This document is subject to updates. For the most current Viega literature please visit www.viega.us. The term Viega does not apply to a specific company within the various separate and distinct companies comprising the Viega group of companies. The term Viega as used in this publication refers to the Viega brand itself or generally to the Viega group of companies. References to activities in North America specifically refer to activities of Viega LLC. Viega products are designed to be installed by licensed and trained plumbing and mechanical professionals who are familiar with Viega products and their installation. Installation by non-professionals may void Viega LLC's warranty. ©2023, Viega®, MegaPress®, ProPress®, Smart Connect®, XL®, and Viega: Connected in quality® are trademarks of Viega Holding GmbH & Co.
