PRESS RELEASE: APR Supply Co. Premier Top 150 Segment Rankings

May 19, 2023 - LEBANON, PA – On the heels of our announcement of the 2023 sales rankings with the Premier Top 150, we're pleased to announce APR Supply Co. was ranked 18th (up from 26th) in HVACR sales, 35th (up from 39th) in Plumbing and Hydronics, and 47th for the second consecutive year in PVF.

"We're thrilled to be on a rapid pace with top competitors throughout the country in the industry," states Scott Weaver, President and CEO. "With our upcoming acquisition of Industrial Piping Systems, we're anticipating a year of rapid growth in the PVF category."

Each year, the Premier 150 Distributors survey is conducted by BNP Media Market Research. BNP Media is the parent company of *Supply House Times*. The data from the survey is used to rank the top 150 PHCP-PVF industry distributors based on each company's reported sales from the previous fiscal year.

APR Supply Co. is proud to continue to improve our ranking in the top 150 distributors and is excited about future growth as we move into the second half of our 101st year in business.
